

WELCOME TO COPENHAGEN!

We look forward to welcoming you to **Copenhagen** for your upcoming **CRMT Core Course**. To make your stay as smooth as possible, we have gathered some **practical information** on hotels, transport, and getting around the city.

COURSE VENUE ADDRESS

MBK A/S
Pilestræde 61
1112 Copenhagen K

COURSE TIMINGS

Day 1: 10:00 - 18:00
Day 2: 09:00 - 17:00
Day 3: 10:00 - 18:00
Day 4: 09:00 - 17:00
Day 5: 09:00 - 17:00

A light breakfast is served 30 minutes before course start each day (optional), and lunch and refreshments are provided throughout the course.

Getting from the airport to the city

Copenhagen is well known for its efficient and easy-to-navigate public transport, and getting from the airport to the city center is quick and hassle-free. You have three main options: Metro, taxi or train.

By Metro:

Take the M2 metro from the airport's terminal 3 to either Kongens Nytorv or Nørreport stations (5-6 mins walk to venue from either station).

- Travel time: 14-16 minutes
- Price: Approx. 5€ one way, 3 zones per adult.
- Payment: Credit card accepted at ticket machines

By Taxi:

If you prefer a taxi, they are available 24/4 outside the airport. Simply exit customs, turn right and walk outside the terminal to find the official taxi area.

- Travel time: 16-30 minutes, depending on traffic.
- Price: Approx. 45€.
- Payment: Credit card accepted.

By Train

Take a direct train from the airport's terminal 3 to Nørreport. Trains depart from the arrivals area when you have cleared customs and run every 15 mins.

- Travel time: 20 minutes
- Price: Approx. 5€ one way
- Tickets can be purchased in red DSB ticket machines
- Payment: Credit card accepted.

ABOUT US

We guarantee that our trainees find the contents meaningful and can relate these to their immediate work and everyday life - regardless of industry. We provide human factors training designed to make an impact.

OUR SERVICES

For more than 10 years we have welcomed participants from various industries on our human factors courses. All our courses are compliant with requirements of EASA, ICAO, CAA, FAA and CASA but suitable for all industries.
